Medicare Part D prescription drug coveraget

The amount you pay for drugs will be different depending on:

- The tier your drug is in. To find out which of the 6 tiers your drug is in, see our Part D formulary at kp.org/wa/medicare/formulary or call Member Services to ask for a copy at 1-888-901-4600, 7 days a week, 8 a.m. to 8 p.m. (TTY 711).
- Your drug quantity (like a 30-day or 90-day supply). Note: A supply greater than a 30-day supply isn't available for all drugs.
- When you get a 31- to 90-day supply, whether you get your prescription filled by one of our retail plan pharmacies or our mail-order pharmacy. Note: Not all drugs can be mailed.
- The coverage stage you're in (initial, coverage gap, or catastrophic coverage stage).

Initial coverage stage

You pay the copays and coinsurance shown in the chart below until your total yearly drug costs reach **\$3,820**. (Total yearly drug costs are the amounts paid by both you and any Part D plan during a calendar year.) If you reach the \$3,820 limit, you move on to the coverage gap stage and your coverage changes.

Drug tier	You pay
Tier 1 (Preferred Generic)	\$3 (up to a 30-day supply)
Tier 2 (Generic)	\$7 (up to a 30-day supply)
Tier 3 (Preferred Brand)	\$45 (up to a 30-day supply)
Tier 4 (Nonpreferred Brand)	\$95 (up to a 30-day supply)
Tier 5 (Specialty Tier)	33% coinsurance
Tier 6 (Vaccines)	\$0

When you get a 31- to 90-day supply, you will pay the following for drugs in Tiers 1-4:

- If you get a 31- to 60-day supply from any plan pharmacy (retail or mail order), you pay 2 copays.
- If you get a 61- to 90-day supply from one of our retail pharmacies, you pay 3 copays.
- If you get a 61- to 90-day supply from our mail-order pharmacy, you pay 2 copays.

Coverage gap and catastrophic coverage stages

The coverage gap stage begins if you or a Part D plan spends **\$3,820** on your drugs during 2019. You pay the following copays and coinsurance during the coverage gap stage:

Drug tier	You pay
Tiers 1, 2, and 6	Same as initial coverage stage or 37% coinsurance, whichever is lower
Tiers 3 and 4 25% coinsurance and a part of the dispensing fee	
Tier 5	25% coinsurance and a part of the dispensing fee for brand-name drugs and 37% for generic drugs

If you spend **\$5,100** on your Part D prescription drug costs in 2019, you'll enter the catastrophic coverage stage. Most people never reach this stage, but if you do, your copays and coinsurance will change for the rest of the year. To find out what you would pay during this stage, see the **Evidence of Coverage**.

Long-term care and non-plan pharmacies

If you live in a long-term care facility and get your drugs from their pharmacy, you pay the same as at a plan pharmacy and you can get up to a 31-day supply. If you get covered Part D drugs from a non-plan pharmacy, you pay the same as at a plan pharmacy and you can get up to a 30-day supply.

Generally, we cover drugs filled at a non-plan pharmacy only when you can't use a network pharmacy, like during a disaster. See the **Evidence of Coverage** for details.

Optional supplemental dental benefits

In addition to the benefits that come with your plan, you can choose to buy an optional supplemental dental benefit for an additional monthly cost that's added to your monthly plan premium. See the **Evidence of Coverage** for details.

Dental HMO benefits and premiums (services provided by Delta Dental of Washington)	You pay

Coverage rules

We cover the services and items listed in this document and the Evidence of Coverage, if:

- The services or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare's standards.
- You get all covered services and items from plan providers listed in our Provider and Pharmacy Directory. But there are exceptions to this rule. We also cover:
 - Care from plan providers in another Kaiser Permanente Region
 - Emergency care
 - Out-of-area dialysis care

- Out-of-area urgent care (covered inside the service area from plan providers and in rare situations from non-plan providers)
- Referrals to non-plan providers if you got approval in advance (prior authorization) from our plan in writing

Note: You pay the same plan copays and coinsurance when you get covered care listed above from non-plan providers.

For details about coverage rules, including services that aren't covered (exclusions), see the **Evidence of Coverage**.

Getting care

At most of our plan facilities, you can usually get all the covered services you need, including specialty care, pharmacy, and lab work. To find our provider locations, see our **Provider and Pharmacy Directory** at **wa-medicare.kp.org/providers** or ask us to mail you a copy by calling Member Services at **1-888-901-4600**, 7 days a week, 8 a.m. to 8 p.m. (TTY **711**).

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Your personal doctor

Your personal doctor (also called a primary care physician) will give you primary care and will help coordinate your care, including hospital stays, referrals to specialists, and prior authorizations. Most personal doctors are in internal medicine or family practice. You must choose one of our available plan providers to be your personal doctor. You can change your doctor at any time and for any reason. You can choose or change your doctor by calling Member Services.

Help managing conditions

If you have more than 1 ongoing health condition and need help managing your care, we can help. Our case management programs bring together nurses, social workers, and your personal doctor to help you manage your conditions. The program provides education and teaches self-care skills. If you're interested, please ask your personal doctor for more information.

Notices

Appeals and grievances

You can ask us to provide or pay for an item or service you think should be covered. If we say no, you can ask us to reconsider our decision. This is called an appeal. You can ask for a fast decision if you think waiting could put your health at risk. If your doctor agrees, we'll speed up our decision.

If you have a complaint that's not about coverage, you can file a grievance with us. See the **Evidence** of Coverage (kp.org/wa/eocs) for details.

Kaiser Foundation Health Plan

Kaiser Foundation Health Plan of Washington is a nonprofit corporation and a Medicare Advantage plan. We offer several Kaiser Permanente Medicare Advantage plans in our larger Washington Region's service area, which you can read about in the **Evidence of Coverage**.

But you can get care from plan providers anywhere in our Washington Region's service area, which includes parts of Grays Harbor and Mason counties and all of King, Kitsap, Lewis, Island, Pierce, San Juan, Skagit, Snohomish, Spokane, Thurston, and Whatcom counties.

If you move from your plan's service area to another service area in our Washington Region, you'll have to enroll in a Kaiser Permanente Medicare Advantage plan in your new service area.

Helpful definitions (glossary)

Allowance

A dollar amount you can use toward the purchase of an item. If the price of the item is more than the allowance, you pay the excess.

Benefit period

The way our plan measures your use of skilled nursing facility services. A benefit period starts the day you go into a hospital or skilled nursing facility (SNF). The benefit period ends when you haven't gotten any inpatient hospital care or skilled care in an SNF for 60 days in a row. The benefit period isn't tied to a calendar year. There's no limit to how many benefit periods you can have or how long a benefit period can be.

Calendar year

The year that starts on January 1 and ends on December 31.

Coinsurance

A percentage you pay of our plan's total charges for certain services or prescription drugs. For example, a 20% coinsurance for a \$200 item means you pay \$40.

Copay

The set amount you pay for covered services — for example, a \$20 copay for an office visit.

A document that explains in detail your plan benefits and how your plan works.

Maximum out-of-pocket responsibility

Un	derstanding the Benefits
	Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit kp.org/wa/eocs or call 1-888-901-4600 , (TTY 711) to view a copy of the EOC.
	Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
	Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
Un	derstanding Important Rules
	In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
	Benefits, premiums and/or copayments/co-insurance may change on January 1, 2020.
	Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
