2020 Asuris Medicare Supplement (Medigap) Application

Special Notice

- You do not need more than one Medicare Supplement (Medigap) policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare Supplement (Medigap) policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement (Medigap) policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement (Medigap) policy (or, if that is no longer available, a substantially equivalent policy) will be re-instituted if requested within 90 days of losing Medicaid eligibility. If the Medicare Supplement (Medigap) policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the re-instituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in, a Medicare Supplement (Medigap) policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement (Medigap) policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement (Medigap) policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare Supplement (Medigap) policy (or, if that is no longer available, a substantially equivalent policy) will be re-instituted, if requested within 90 days of losing your employer or union-based group health plan. If the Medicare Supplement (Medigap) policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the re-instituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare Supplement (Medigap) insurance and concerning medical assistance through the state Medicaid program, including benefits as a qualified Medicare beneficiary (QMB) and specified low income Medicare beneficiary (SLMB).
- Your rate may change at the Plan's annual renewal date on April 1, so you may initially see an increase before a 12-month period. Rates are guaranteed not to increase for 12 months after the renewal date.
- Premium payments will not be accepted from any provider or facility offering health care services; or entities that receive 25 percent or more of their funding from providers or facilities, unless from a private, not-for-profit foundation that provides such payments on a charitable basis and does not base contributions on the policyholder's health status, enrollment in a particular health insurance plan, or use of any particular health care services or facilities; or as otherwise required by law. Additionally, if you or your spouse are actively working, payments from your employer or your spouse's employer are not permitted if the employer making the payment has 20 or more employees. Premium payments that do not meet the above criteria will not be accepted and this policy may be terminated for non-payment.

Section 4: Notice to applicant regarding replacement of Medicare Supplement (Medigap) insurance or Medicare Advantage

Please review this section if you indicated in Section 3 of the application that you intend to terminate existing Medicare Supplement (Medigap) coverage or Medicare Advantage insurance and replace it with a policy to be issued by Asuris. Your new policy will provide 30 days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare Supplement (Medigap) coverage is a wise decision, you should terminate your present Medicare Supplement (Medigap) or Medicare Advantage plan. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement to applicant by issuer, producer

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare Supplement (Medigap) policy will not duplicate your existing Medicare Supplement (Medigap) coverage or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare Supplement (Medigap) coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason (check one):

- Additional benefits
- No change in benefits, but lower rates
- Fewer benefits and lower rates
- My plan has outpatient prescription drug coverage and I am enrolling in Part D
- Disenrollment from a Medicare Advantage plan (please explain reason for disenrollment)

- Other (please specify)

State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.

If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premiums as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded. Do not cancel your present policy until you have received your new policy and are sure you want to keep it.

Section 5: Medicare Supplement (Medigap) protection periods

Do I need to complete a health statement?

When applying for Plan A, C*, F* or K, you do not need to complete a health statement if any of the following is true. If applying for Plan G or N, a health statement is required for the specific situations as noted below:

1. Your Medicare managed care plan or PACE program coverage ends because the plan is leaving the Medicare program, stops giving care in your area, or you move out of the plan's service area, and you apply for Medicare Supplement (Medigap) coverage after you receive notice that your coverage is terminating or ceasing, and no later than 63 days after your coverage terminates or ceases. **Complete the health statement if applying for Plan G or N.**
2. Your employer group health plan coverage that supplements the benefits under Medicare ends or ceases to provide all such supplemental benefits to you, and you apply for Medicare Supplement (Medigap) coverage after (a) your coverage is met or ceases, or (b) you receive notice that your coverage is terminating or ceasing, whichever is later, and no later than 63 days after your coverage terminates.
3. Your Medicare Supplement (Medigap) insurance company goes bankrupt and you lose your coverage, or your Medicare Supplement (Medigap) policy coverage ends through no fault of your own, and you apply for Medicare Supplement (Medigap) coverage beginning on the earlier of your coverage terminating or you are receiving notice of termination or bankruptcy, and no later than 63 days after your coverage terminates. **Complete the health statement if applying for Plan G or N.**
4. You enrolled in a Medicare Part D plan during your initial enrollment period and were enrolled under a Medicare Supplement (Medigap) policy that covers outpatient prescription medications, and you apply for Medicare Supplement (Medigap) coverage up to 60 days before the initial Medicare Part D enrollment period and no later than 63 days after the effective date of your Medicare Part D coverage. Please enclose proof of enrollment in Medicare Part D. **Complete the health statement if applying for Plan G or N.**
5. You joined a Medicare Advantage or PACE program when you were first eligible for Medicare Part A (and you're enrolled in Medicare Part B). Within the first year of joining, you want to switch to Original Medicare, and you apply for a Medicare Supplement (Medigap) policy up to 60 days before and no later than 63 days after your Medicare Advantage or PACE program coverage terminates.
6. You dropped a Medicare Supplement (Medigap) policy to join a Medicare Advantage plan, Medicare Select plan, or PACE program for the first time and now you want to leave. You have been in the plan for no more than a year and you apply for a Medicare Supplement (Medigap) policy up to 60 days before and no later than 63 days after your plan terminates. A health statement is not required if you enroll in the same Medicare Supplement (Medigap) policy (with the same company) that you had previously, if available.
7. You leave a Medicare Advantage plan or drop a Medicare Supplement (Medigap) plan because the company or its representatives haven't followed the rules or misled you, and you apply for a Medicare Supplement (Medigap) policy up to 60 days before and no later than 63 days after your plan terminates. **Complete the health statement if applying for Plan G or N.**
8. You currently are enrolled in a standardized Medicare Supplement (Medigap) plan issued in 1990 or later, and you wish to switch to a plan with either greater, equal, or lesser benefits. (For example, from a 1990 standard Plan F to a 2010 standard Plan F). Exception: If you have Plan A, you can only switch to Plan A without requiring underwriting.

*If you turned age 65 before January 1, 2020 and are currently enrolled in Medicare Part A and Part B, you may be eligible for Plan C or Plan F.

Section 6: Health statement

Complete this section if you are not applying during your open enrollment period. Your open enrollment period is the six-month period immediately following your 65th birthday or your enrollment in Medicare Part B. There are other exceptions where you will not need to complete this section. To verify if one of these exceptions applies to you, see page 7, Section 5.
