¹Plans F and G also have a high deductible option which require first paying a plan deductible \$2,370 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

²Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

Disclosures

Use this outline to compare benefits and premiums among policies.

Premium Information

The premium for your policy may change. We, United of Omaha Life Insurance Company, can only raise your premium if we raise the premium for all the policies like yours in the same geographic area of the state where you live. Until you are age 99, your premium may change each year.

Household Premium Discount

You may be eligible for a household premium discount if, at the time of application, you reside with your spouse, civil union partner, or domestic partner who owns or is issued a Medicare supplement policy underwritten by us. For the purposes of this discount, a civil union partner or domestic partner will be considered eligible when such partnerships are valid and recognized in your state of residence. We may request additional documentation to determine eligibility. Your premium will be reduced by the percentage shown on the policy schedule. Your policy's household premium discount will be removed if the other Medicare supplement policyholder chooses to terminate his or her Medicare supplement policy or he or she no longer resides with you (other than in the case of his or her death).

Read Your Policy Very Carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Right to Return Policy

If you find that you are not satisfied with your policy, you may return it to 3300 Mutual of Omaha Plaza, Omaha, NE 68175. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

Policy Replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

The policy may not fully cover all of your medical costs. Neither we nor our insurance producers are connected with Medicare. This outline of coverage does not give all the details of Medicare Coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

Complete Answers Are Very Important

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The Company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

Exclusions

Exclusions apply to your coverage. Please be sure to review the exclusions in your policy.
